

ANZHES Conferences 1965-

The Society has held annual conferences since 1971. The following list can be improved if members or former members have better information, especially in the area of conference themes. Publication of conference proceedings mainly occurred in the 1980s and 1990s. Craig Campbell and Lynne Trethewey have been the main compilers. Contact the former if you have additional information.

- 1965 Melbourne (AU, Vic) Planning for meetings of historians of education within ANZAAS
